

Mouse Gene	Protein Product
Cfh	Complement factor H precursor
Cfhr1	Complement factor H-related protein 1 precursor
Cfhr2	Complement factor H-related protein B precursor
Gm4788	Complement factor H-related protein C (has 3 isoforms) precursor
Cfhr3 (predicted)	Complement factor H isoform (has 2 isoforms)
Human Gene	Protein Product
CFH	Complement factor H precursor
CFHR1	Complement factor H-related protein 1 precursor
CFHR2	Complement factor H-related protein 2 precursor
CFHR3	Complement factor H-related protein 3 precursor
CFHR4	Complement factor H-related protein 4 precursor
CFHR5	Complement factor H-related protein 5 precursor
