

Erratum: Anti-inflammatory effect of pigment epithelium-derived factor in DBA/2J mice

In this article by Xiaohong Zhou and colleagues (<http://www.molvis.org/molvis/v15/a44/>) the following corrections were made:

A correction was made to the Actin panel in Figure 5E from mouse optic nerve. The revised Figure 5E contains the corrected image.

A correction was also made to the Figure 8A GAPDH panel. The revised Figure 8A contains the corrected image.

These errors were made due to unintentional duplications.
